PERFECT STRUCTURAL SUPPORT

Activ-Wire™ Mesh

Activ-Wire Mesh is a wonderful papier mâché armature that provides excellent structural support for all sculpting projects. It is also a unique material for direct wire sculpture and other craft projects.

Why Customers Love It:

- Easy to cut with household scissors
- Non-rusting
- Strong support for sculpting mediums

Ideal For:

- Fine artists, sculptors, mixed media
- Educators and art teachers
- Hobbyists and crafters

Activ-Wire Mesh should be handled with care as it has sharp edges when cut. This product is recommended for ages 13 and older.
